

TimeCom® + BambooHR®: Streamlined Timekeeping, Amplified Productivity

In today's fast-paced business environment, safeguarding your company's financial health and operational efficiency is paramount. Traditional and manual time entry methods leave your organization vulnerable to costly challenges. TimeCom integrates with BambooHR's Time Tracking platform; offering real-time, automated time tracking and touchless clock-in options. TimeCom puts you back in control of tracking accurate employee time.

Key Features:

- **Pre-built Integration:** Experience a smooth, hands-off installation process that saves time and reduces setup complexity.
- **Activation is easy as 1-2-3:** Simple, straightforward, and user-friendly process makes it easy to set up and use.
- **Seamless Data Synchronization:** Enjoy effortless data flow between Accu-Time Systems TimeCom and BambooHR.
- **User-Friendly Interface:** stride®80 time clocks are easy-to-use. Choose between Facial Recognition, Fingerprint or Proximity Badges.

stride®80 with Facial Recognition / HID® ProxPoint® Badge Reader

stride®80 with Fingerprint Reader
